8. Dr. Tietjen called and requested a special report on H.R. 5178, the Overseas Medical Bill. He was advised that they expected that this bill would move in the near future. We will keep him posted on further developments.

9. Mr. Houston talked with Representative Stewart L. Udall (D., Ariz.) and thanked him for their (DCI and LRH) Tuesday evening with the freshmen congressmen. Mr. Udall thought it had been very fruitful from the congressional point of view and that some of these younger freshmen congressmen are still trying to make up their minds on these subjects and they thought the presence of the Director and [ ] was quite influential. Mr. Udall promised to have his office supply a list of the congressmen who were present.
